Faculty of Engineering

**Department of TE**

---

## **Notice**

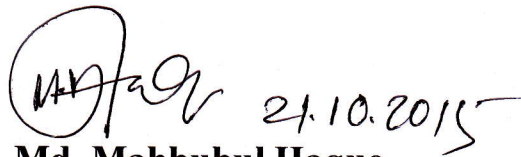

### **Subject: Project, Industrial Attachment, & Comprehensive Viva**

The Comprehensive Viva (TE-411) of Fall-2015 semester will be held from **December 03, 2015** (Thursday). Defense of Project (TE407/417/4214) of Summer- 2015 & Industrial attachment viva (TE410/418/431) of Fall-2015 will be held after completion of Comprehensive Viva (TE-411/419/432). Further details will be notified later. In this regard concerned students are suggested to submit one copy of their Project/Thesis & Internship report **with CD** to the department on or before **December 02, 2015**.

Both the project/thesis and industrial attachment report must be written as per DIU guidelines which is available in the DIU Forum or students can collect from their supervisors.

Students must clear their dues by **December 02, 2015**.

**If anybody fails to clear his/her dues within the aforementioned date, his/her comprehensive viva, project presentation & industrial attachment will not be held.**

**Prof. Dr. Md. Mahbubul Haque**

**Head**
