## NOTICE

14 May 2016

**Dear Students,**

Management feels that the time span between final exam payment of a running semester and registration payment of a new semester is very short. It might be difficult for our students and guardians to pay two installments within such a short span of time. In this respect, the management has decided to collect fees in two installments in a semester with effect from Fall 2016.

1. First Installment : During Registration of a new semester
2. Second Installment : Before Mid-term examinations

A student will have to pay 50% of total payable amount of a semester at the time of Registration and rest of the 50% will have to pay before Mid-term examinations.

Management expects your cooperation in this regard.
